PROJECT APPROVAL

Project idea #1:

Possible independent variables (things you could change):	Possible dependent variables: (results you could measure)

Project idea #2:

Possible independent variables (things you could change):	Possible dependent variables: (results you could measure)

Project idea #3:

Possible independent variables (things you could change):	Possible dependent variables: (results you could measure)

From the lists above, write three possible project questions. (All three choices could come from the same project idea table above.)

FIRST CHOICE PROJECT QUESTION:

How does _____
affect _____?

SECOND CHOICE PROJECT QUESTION:

How does _____
affect _____?

THIRD CHOICE PROJECT QUESTION:

How does _____
affect _____?

Parent Signature: _____
