## Vocabulary Development

### Cells Word Wall

#### Description:

Create a mini-poster (one white sheet of paper) to explain a key vocabulary word by only using drawings and the word used correctly in one sentence.

#### Essentials:

- Choose one word from the list below.
- Do the assignment on the back of this paper.
- The word is written in large letters **that can be seen across the room. (5 pts)**
- The drawing has to match the word and fill up the rest of the page. **(5 pts)**
- The word is written in a sentence that explains what the word IS and IS NOT. For example, "Humans are made up of animal cells. Animal cells are not found in flowers." **(5 pts)**
- Needs to have 100% color (no pencil), be legible, and is NOT wrinkled. **(5 pts)**
